OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 8 November 1967

25X1

[redacted]

I talked with Harriet Robnett, Legislative Assistant to Senator Symington, regarding the Senator's report and indicated that as we had done in the past at the request of the Senator's escort officers, we would be happy to do a security review of the Senator's classified report on his trip. Miss Robnett called later to say she had discussed this with the Senator who said he was very glad we had raised the question since he had intended to submit the report to the Agency but had overlooked it. A copy of the report was picked up and has been sent to DD/P for review.

25X1 2. [redacted] Confirmed with the Office of Security that Wilfred Johnson, Howard Brown and Charles Winters, of AEC, possessed the proper clearances for their attendance at the Director's briefing of the Jackson Subcommittees.

25X1 3. [redacted] George Murphy, Joint Committee on Atomic Energy staff, called to say that they had been approached by the Air Force with a request that a Colonel Floyd be permitted to attend the Director's briefing of the Jackson Subcommittees as an observer. Murphy said he thought they had discouraged this but wished to alert us in the event we had a similar query. No such query was received.

25X1 4. [redacted] Congressman John A. Blatnik (Minn.)
25X1 requested that I meet with [redacted] at my convenience on the Hill.
25X1 Apparently [redacted] is interested in connecting in some way with the Agency. I assured Mr. Blatnik I would be happy to do this and we set 11 o'clock tomorrow morning in the Congressman's office.
